Sample the fruits of local vineyards' labors on the **Newport Jaguar Tours** Wine Tasting Tour. They'll be doing the driving—in a classic luxury hardtop or convertible Jag. Morning excursions take you on a guided grand tour of Newport's scenery, history and culture, topped off by a visit to one of the area's premier vineyards. If you take the afternoon tour, you'll visit two vineyards. Full-day tours include a brief tour of Newport, followed by tastings at three or four vineyards.
